

OHH Portal Setup

Access OHH apps from home

Step 1: Download Citrix

On your home computer go to <u>okheart.com/mis-support</u> and click "Citrix Workspace for Windows" or "Citrix Workspace for Mac"

Then click "Download Citrix Workspace app".

Step 2: Install Citrix

Keep clicking "Next" or "Install" until it finishes installing. Note: Don't click any checkboxes during the install process.

Sitrix Workspace X	Scitrix Workspace X
App protection	CITRIX
Enable this option to prevent screen captures of the app, and to protect it from keylogging malware.	
Enable app protection Warning: You cannot disable this feature after you enable it. To disable it, you must uninstall Citrix Workspace app. For more information, contact your system administrator.	Click on Finish to begin using Citrix Workspace
Install	Finish

Note: Citrix may ask you to set it up with a url or email address. Ignore this and open the portal website instead.

Step 3: Log in to the OHH portal

Go to okheart.com, scroll to the bottom, and click "Physician and Staff Login"

Then click "OHH Web Portal".

Log in with your OHH PC login.

If you've used Imprivata before, use it here.

You're done! Click an app to launch it.

You can also just go to

ohh.okheart.com directly.

(Some Mac users must then open a Citrix file which will go to their Downloads folder.)
